I do not think this is a FOIA request. They are demanding information within 10 days and in a footnote say the timeline is consistent with FOIA.

So is this a FOIA request? It doesn't specifically say that it is, but it does cite FOIA.

Nancy and Paul,

Just a heads up, we received a letter from Mr. Duarte's attorney regarding the violation South of Red Bluff. No substance just a ranting fishing expedition. My guess is that she has seen the North Star delineation and the letter from them telling him not to rip the site. I think they know they are in a very bad position and are fishing to see how much of this information we know. Since the majority of the letter is throwing court cases out there and wanting all information without filing a FOIA we may need to have OC respond to them. I'm working on finishing my conversation notes and then I'm sending the file down to you all.
