If so, explain and indicate any agreement between the parties concerning future disposition of those claims.

Is the validity of a statute, regulation, executive order, franchise or constitutional provision of this State being questioned? (R. 2:5-1(g)) Yes No

Give a Brief Statement of the Facts and Procedural History:

The Division of Alcoholic Beverage Control issued a Special Ruling in 2019 that created severe restrictions on the activities of licensed limited breweries. The Special Ruling proclaims to be an agency guidance document, but in effect it functions as a formal rule or regulation. The Special Ruling is now being enforced through Special License Conditions as of 7/1/22.

To the extent possible, list the proposed issues to be raised on the appeal as they will be described in appropriate point headings pursuant to R. 2:5-2(a)(6). (Appellant or cross-appellant only.):

The Special Ruling and Special License Conditions were created and are being enforced in violation of the New Jersey Administrative Procedure Act. In addition, the restriction within the Special Ruling and Special License Conditions of 25 advertised on-site special events per year violates Article I, paragraph 6 of the N.J. Constitution and the First Amendment to the U.S. Constitution.

If you are appealing from a judgment entered by a trial judge sitting without a jury or from an order of the trial court, complete the following:

1. Did the trial judge issue oral findings or an opinion? If so, on what date? _____ Yes No
2. Did the trial judge issue written findings or an opinion? If so, on what date? _____ Yes No
3. Will the trial judge be filing a statement or an opinion pursuant to R. 2:5-1(b)? Yes No Unknown

Caution: Before you indicate that there was neither findings nor an opinion, you should inquire of the trial judge to determine whether findings or an opinion was placed on the record out of counsel's presence or whether the judge will be filing a statement or opinion pursuant to R. 2:5-1(b).

Date of Your Inquiry:

1. Is there any appeal now pending or about to be brought before this court which:

- (A) Arises from substantially the same case or controversy as this appeal? Yes No
- (B) Involves an issue that is substantially the same, similar or related to an issue in this appeal? Yes No

If the answer to the question above is Yes, state:

Case Title	Trial Court Docket#	Party Name
------------	---------------------	------------

2. Was there any prior appeal involving this case or controversy? Yes No

If the answer to question above is Yes, state:

Case Name and Type (direct, 1st PCR, other, etc.)	Appellate Division Docket Number
---	----------------------------------

Civil appeals are screened for submission to the Civil Appeals Settlement Program (CASP) to determine their potential for settlement or, in the alternative, a simplification of the issues and any other matters that may aid in the disposition or handling of the appeal. Please consider these when responding to the following question. A negative response will not necessarily rule out the scheduling of a preargument conference.

State whether you think this case may benefit from a CASP conference. Yes No

Explain your answer:

The issue in this case is whether the Special Ruling and Special License Conditions were validly enacted by the Div. of Alc. Bev. Control, and whether one specific provision

violates the N.J. and U.S. Constitutions. As both issues are questions of law, mediation would not be beneficial.

Whether or not an opinion is approved for publication in the official court report books, the Judiciary posts all Appellate Division opinions on the Internet.

I certify that confidential personal identifiers have been redacted from documents now submitted to the court, and will be redacted from all documents submitted in the future in accordance with Rule 1:38-7(b).
