_____)

JURY TRIAL DEMANDED

Case No.:

**COMPLAINT FOR
DECLARATORY AND
INJUNCTIVE RELIEF**

INTRODUCTION

1. To escape the rampant crime in the City of St. Louis and secure a better home for her three children, La'Shieka White recently moved with her family to a modest home in the St. Louis suburbs. As a result of that move, La'Shieka's oldest son, E.L., a third-grade student at Gateway Science Academy (Gateway), will not be permitted to attend Gateway next year. The only thing preventing E.L. from enrolling at Gateway next year is his skin color. E.L. is prohibited from attending public schools in the City of St. Louis, including magnet schools and charter schools, because he is African-American. If he were white he would be eligible to attend those schools. E.L.'s mother, La'Shieka White, brings this lawsuit on his behalf, seeking to vindicate his right to be free of racial discrimination, as guaranteed by the United States Constitution's Equal Protection Clause.

JURISDICTION AND VENUE

2. This action arises under the Fourteenth Amendment to the United States Constitution, 42 U.S.C. §§ 1981 and 1983. The Court has jurisdiction of these federal law claims under 28 U.S.C. §§ 1331 (federal question) and 1343(a) (redress deprivation of civil rights). Declaratory relief is authorized by the Declaratory Judgment Act, 28 U.S.C. §§ 2201-2202.

3. Venue is proper in this Court pursuant to 28 U.S.C. § 1391(e), because Defendant resides in this district, and because a substantial part of the events or omissions giving rise to Plaintiffs' claims occurred or will occur in this district.

4. Divisional venue is proper in the Eastern Division of this Court, because the Defendant resides in this division and the claim for relief arose in this division. *See* Local R. 02-07(B)(1).

PARTIES

Plaintiffs

5. E.L. is a minor, who resides in the city of Maryland Heights in St. Louis County, Missouri. His residence is zoned for the Pattonville School District. E.L. is a third grade student at Gateway Science Academy in the City of St. Louis. He is African-American.

6. La'Shieka White is E.L.'s mother, legal guardian, and next friend. She resides in the city of Maryland Heights in St. Louis County, Missouri, with her husband and three children, including E.L. Her residence is zoned for the Pattonville School District. La'Shieka White is African-American.

Defendant

7. Defendant Voluntary Interdistrict Choice Corporation (VICC) is a 501(c)(3) non-profit corporation organized under the laws of the State of Missouri. VICC is governed by a

board of directors comprised of superintendents of the participating St. Louis-area school districts. VICC is responsible for administering the St. Louis Student Transfer Program (transfer program), enacting policies applicable to the transfer program, and making decisions about the transfer program. Defendant is responsible for the transfer of non-African-American St. Louis County students to public schools within the City of St. Louis. Virtually all of Defendant's funding to support the transfer program is provided by the State of Missouri through its normal public school aid sources.

ALLEGATIONS

Current VICC Policy

8. Only African-American students residing in the City of St. Louis are eligible to transfer to a school district in the County of St. Louis. VICC's Board policy JCA.BP, which requires the race-based transfer restrictions is attached as Exhibit A, and its provisions are incorporated herein.

9. Per the Board's policy, only white students residing in St. Louis County are eligible to transfer to a public school in the City of St. Louis.

10. Any student who lives in the City of St. Louis and non-African-American students who live in the county school districts of Affton, Bayless, Brentwood, Clayton, Hancock Place, Kirkwood, Ladue, Lindbergh, Mehlville, Parkway, Pattonville, Ritenour, Rockwood, Valley Park, or Webster Groves are eligible to attend St. Louis Magnet Schools. The 2016-2017 Magnet School Guide, which includes the application for St. Louis County residents to attend magnet schools in the City of St. Louis, is attached as Exhibit B, and its provisions are incorporated herein. The race-based eligibility restrictions are found on page 4 of the Guide.

11. Although VICC's Board policy JCA.BP limits transfers to white students, the magnet school application extends eligibility to transfer into the city to any "non-African-American" student. African-American students are prohibited from transferring. *See* Attachment B, at 4.

The Liddell Litigation

12. In 1972, black parents filed a class action lawsuit alleging racial discrimination and segregation in St. Louis schools in violation of the Fourteenth Amendment to the United States Constitution. The Eighth Circuit ruled that St. Louis schools operated a dual-system that was segregated on the basis of race in violation of the Fourteenth Amendment. A "system-wide remedy" was needed for a "system-wide violation." *Adams v. United States*, 620 F.2d 1277, 1291 (8th Cir. 1980). The Eighth Circuit ordered St. Louis schools to integrate and instructed the district court to retain jurisdiction in order to ensure "that the plan effectively integrates the entire St. Louis school system and to ensure that the plan is, in fact, being carried out." *Id.* at 1297.

13. On remand to the district court, the parties reached a settlement and proposed a consent decree that was approved by the district court and affirmed by the Eighth Circuit. *See Liddell v. Bd. of Educ.*, 567 F. Supp. 1037 (E.D. Mo. 1983), *aff'd*, *Liddell v. Missouri*, 731 F.2d 1294 (8th Cir. 1984). The court retained jurisdiction to enforce the consent decree and settlement. *Liddell*, 567 F. Supp. at 1058. The consent decree and settlement agreement included a comprehensive plan to improve racial integration in St. Louis schools.

14. One component of the plan included a voluntary interdistrict transfer plan. This plan, named the St. Louis Student Transfer Program (transfer program), was based on race. African-American students residing in the City of St. Louis would be permitted to transfer to school districts in St. Louis County (city-to-county). White students residing in St. Louis County would be

permitted to transfer into a school located in the City of St. Louis (county-to-city). *Liddell*, 731 F.2d at 1300.

15. In order to attract white students into schools located in the City of St. Louis, the plan created additional magnet schools in the City. *Id.* These schools could only be attended by students residing in the City or white students transferring in from the county. Planning for the creation of new magnet schools was required to focus on attracting suburban white students. *Id.* at 1311-12.

16. The consent decree governed integration of St. Louis schools until 1999. In 1999, the district court approved a new settlement agreement. As a result of the new agreement, federal supervision over the racial integration of St. Louis schools ended. The Court dismissed the case with prejudice, dissolved all prior injunctions, and dismissed all pending motions as moot. *Liddell v. Bd. of Educ. of the City of St. Louis, Missouri*, No. 4:72CV100 SNL, 1999 WL 33314210, at *9 (E.D. Mo. Mar. 12, 1999).

The 1999 Settlement Agreement

17. The 1999 Settlement Agreement transformed the federally supervised transfer program into a voluntary program under the jurisdiction the Voluntary Interdistrict Choice Corporation. VICC is a non-profit corporation governed by a board of directors comprised of superintendents of the participating school districts and funded by public dollars.

18. The 1999 Settlement Agreement continued the race-based St. Louis Student Transfer Program. Under the terms of the 1999 Settlement Agreement, city-to-county transfers are only permitted for black students, and county-to-city transfers are only permitted for white students.

19. The 1999 Settlement Agreement continued the magnet school program, and established new race-based enrollment guidelines for magnet schools.

20. VICC is responsible for administering the transfer program, creating the policy of the transfer program, and making decisions about the transfer program.

21. The terms of the 1999 Settlement Agreement were initially required to govern for ten years, however, the Agreement also specified that the race-based transfer program could be extended to new students beyond the 2008-2009 ending date for new enrollments. An initial five-year extension pursuant to this provision was unanimously approved by the VICC Board in June, 2007, with a second five-year extension approved in October, 2012. As a result, new students are continuing to be accepted into the transfer program through at least the 2018-2019 school year.

22. The VICC Board is solely responsible for extending the race-based transfer program. The assent of no other entity is required. Accordingly, VICC bears full responsibility for the continuing enforcement and administration of the race-based transfer program.

Gateway Science Academy

23. Gateway Science Academy of St. Louis (Gateway) is a public charter school located in the City of St. Louis.

24. Gateway provides its students with an innovative world class education, rich in math, science, and technology and focuses on preparing students to become bold inquirers, problem solvers, and ethical leaders, who are ready for post-secondary education.

25. Gateway enrolls students who reside in the City of St. Louis. In addition, under Missouri law, charter schools must enroll “[n]onresident pupils eligible to attend a district’s school under an urban voluntary transfer program.” Mo. Ann. Stat. § 160.410.

26. Non-black students who live in the county school districts of Affton, Bayless, Brentwood, Clayton, Hancock Place, Kirkwood, Ladue, Lindbergh, Mehlville, Parkway, Pattonville,

Ritenour, Rockwood, Valley Park, or Webster Groves are eligible to enroll at Gateway, because they could enroll in a “district’s school under an urban voluntary transfer program.” *Id.*

27. African-American students who live in St. Louis County are ineligible to be enrolled at Gateway, or any charter school located in the City of St. Louis.

28. Gateway officials gave La’Shieka White a handout explaining the enrollment requirements at Gateway. A true and correct copy of that handout is attached as Exhibit C. The handout accords with the race-based restrictions in the 2016-2017 Magnet School Guide. In particular, it explains that non-African-American students residing in the Pattonville School District may be enrolled at Gateway. African-American students residing in the Pattonville School District are ineligible to be enrolled.

Facts Relating to the Plaintiffs

29. La’Shieka White and E.L. lived in the City of St. Louis when E.L. enrolled at Gateway in 2012. For the past two years, their residence was a small two-bedroom apartment with no yard. La’Shieka and E.L. lived there with La’Shieka’s husband and their two children, a 2-year old boy and an 8-month old girl.

30. At the White’s previous home in the City of St. Louis, the family car was broken into on multiple occasions, and family members regularly heard gunshots.

31. E.L. started at Gateway Science Academy (Gateway) in the City of St. Louis in August, 2012. E.L. started there as a kindergartner and is now in the third grade.

32. E.L. has excelled at Gateway. He currently has a 3.79 GPA, and has above average testing scores in language arts, math, and science.

33. In March, 2016, the White family moved to a house in Maryland Heights, Missouri. The Whites purchased the home so that they would have more space for their growing family,

including a backyard and basement. Their new home is much safer than their past residence, and the family has yet to hear a gunshot.

34. The White's new home is located in St. Louis County and is zoned for the Pattonville School District.

35. Because of E.L.'s success at Gateway, La'Shieka sought to ensure his continued enrollment at the school after the family relocated to a safer community in St. Louis County. When she inquired into enrolling E.L. at Gateway in future years, she learned that he would be unable to attend because he is African-American.

36. If E.L. were white, he could enroll at Gateway Science Academy for the 2016-2017 school year.

INJUNCTIVE RELIEF ALLEGATIONS

37. Plaintiffs incorporate by reference and reallege each and every allegation set forth in paragraphs 1 through 36 of this Complaint.

38. Defendant adopted and implemented the race-based rules governing the St. Louis Student Transfer Program. These rules prohibit African-American students, like E.L., from transferring to schools within the City of St. Louis, including magnet schools. The race-based transfer rules prevent charter schools like Gateway Science Academy from enrolling black students who reside in St. Louis County. If Defendant is not enjoined from enforcing the race-based transfer rules, Plaintiffs will be irreparably harmed in that E.L. will be prohibited from attending Gateway Science Academy, St. Louis city magnet schools, and St. Louis city public schools. The race-based transfer rules currently discriminate against Plaintiffs on the basis of race, and they will continue to do so in the foreseeable future.

39. If not enjoined by this Court, Defendant and its agents, representatives, and employees will continue to discriminate against individuals on the basis of race, in contravention of the Equal Protection Clause of the United States Constitution.

40. Pecuniary compensation to Plaintiffs or other victims of such continuing discrimination would not afford adequate relief.

41. Injunctive relief is necessary to prevent a multiplicity of judicial proceedings on these same or similar issues.

42. Accordingly, injunctive relief is appropriate.

DECLARATORY RELIEF ALLEGATIONS

43. Plaintiffs incorporate by reference and reallege each and every allegation set forth in paragraphs 1 through 42 of this Complaint.

44. An actual and substantial controversy exists between Plaintiffs and Defendant as to their respective legal rights and duties. Plaintiffs contend that the transfer program discriminates on the basis of race in violation of the Fourteenth Amendment to the United States Constitution. Defendant disputes that the transfer program is unconstitutional and illegal.

45. There is a present justiciable controversy between the parties regarding the constitutionality and legality of Defendant's transfer program. Plaintiffs will be directly, adversely, and irreparably harmed by Defendant's actions enforcing and administering the transfer program, and Defendant's continuing administration, implementation, reliance, and enforcement of the discriminatory transfer program now and in the future. A judicial determination of rights and responsibilities arising from this actual controversy is necessary and appropriate at this time.

CLAIM FOR RELIEF

Violation of the Equal Protection Clause of the Fourteenth Amendment to the United States

Constitution and 42 U.S.C. §§ 1981, 1983

46. Plaintiffs incorporate by reference and reallege each and every allegation set forth in paragraphs 1 through 45 of this Complaint.

47. La'Shieka White and E.L. are persons under 42 U.S.C. §§ 1981 and 1983.

48. Defendant acted under the color of state law in developing, implementing, and administering the race-based Transfer Policy.

49. The Equal Protection Clause of the Fourteenth Amendment to the United States Constitution requires that, “[n]o State shall . . . deny to any person within its jurisdiction the equal protection of the laws.” U.S. Const. amend. XIV, § 1. All governmental action based on race must be subjected to detailed judicial scrutiny to ensure that no person is denied equal protection of the laws.

50. Defendant VICC’s transfer program, on its face, discriminates against E.L. because of his race. In particular, he may not continue to attend Gateway Science Academy pursuant to the program because he is an African-American student residing in St. Louis County. If he were white, he would be eligible to attend any public school located in the City of St. Louis, including Gateway.

51. The Defendant’s actions in enforcing and administering the transfer program are not narrowly tailored to a compelling state interest.

52. Preventing E.L. from obtaining a quality education at Gateway Science Academy because of his race serves no compelling state interest.

53. Defendant’s racial discrimination against E.L. is not required to remedy past, intentional discrimination.

54. The Defendant's actions in enforcing and administering the transfer program do not serve a compelling state interest, because the race-based restrictions on student transfers do not secure the educational benefits that flow from racial diversity in higher education.

55. The Defendant's actions in enforcing and administering the transfer program are not narrowly tailored to a compelling state interest, because Defendant has not first determined that race-based measures are necessary to achieve a compelling governmental interest.

56. The Defendant's actions in enforcing and administering the transfer program are not narrowly tailored to a compelling state interest, because Defendant cannot prove that a non-racial approach would fail to promote the government objective as well at a tolerable administrative expense.

57. The Defendant's actions in enforcing and administering the transfer program are not narrowly tailored to a compelling state interest, because Defendant failed to exhaust race-neutral alternatives before resorting to race-based classifications.

58. The Defendant's actions in enforcing and administering the transfer program are not narrowly tailored to a compelling state interest, because Defendant is using race as a categorical bar—and not merely a “plus” factor—in transfer decisions.

PRAYER FOR RELIEF

WHEREFORE, based on the allegations above, Plaintiffs respectfully request judgment as follows:

1. A declaratory judgment, pursuant to the Declaratory Judgment Act, 28 U.S.C. § 2201, from the Court that the race-based restrictions in the transfer program enforced by VICC, which prohibit African-Americans residing in St. Louis County from transferring to schools in the City of St. Louis, are unconstitutional, illegal, invalid, and unenforceable, because they discriminate on the

basis of race and deny individuals equal protection of the laws in violation of the Fourteenth Amendment to the United States Constitution and federal civil rights statutes 42 U.S.C. §§ 1981 and 1983;

2. For a preliminary and permanent prohibitory injunction enjoining Defendant VICC and its agents, employees, officers, and representatives from adopting, enforcing, attempting, or threatening to enforce the race-based restrictions in the transfer program which prohibit African-Americans residing in St. Louis County from transferring to schools in the City of St. Louis, insofar as it discriminates on the basis of race and denies individuals equal protection of the laws in violation of the Fourteenth Amendment to the United States Constitution and federal civil rights statutes 42 U.S.C. §§ 1981 and 1983;

3. A permanent injunction prohibiting Defendant from using race in future student transfer decisions;

4. Attorneys' fees and costs pursuant to 42 U.S.C. § 1988 and any other applicable legal authority; and

5. All other relief this Court finds appropriate and just.

DEMAND FOR JURY TRIAL

Pursuant to Rule 38 of the Federal Rules of Civil Procedure and Local Rule 2.04, Plaintiffs demand a trial by jury in this action of all triable issues.

DATED: May 4, 2016.

JCA.BP

VOLUNTARY INTERDISTRICT CHOICE CORPORATION

STUDENT ELIGIBILITY

Pursuant to the provisions of the Settlement Agreement, the following standards will be used in determining eligibility of students participating or applying to participate in the transfer program.

I. City-to-County Student Eligibility

- A. Black students residing in the City of St. Louis shall be eligible to transfer voluntarily to a school and district in a participating district in their attendance area (or, if they provide their own transportation, as defined in policy JFA.BP, to a participating district outside their attendance area) in which school and district they would be in the racial minority.
- B. Kindergarten students may be limited to full-day status unless the students provide their own transportation as defined in policy JFA.BP.
- C. Black students in non-public schools in an area of the City of St. Louis who meet the criteria of I.A. above are eligible.

II. County-to-City Student Eligibility

- A. White students residing in St. Louis County who are members of the racial majority at a school in a participating district which is more than 50 percent white in its enrollment shall be eligible to transfer voluntarily to the St. Louis Public Schools, unless per the Settlement Agreement the district has elected to no longer participate in the county-to-city transfer program.
- B. White students in non-public schools in an area of St. Louis County who meet the criteria of II.A above are eligible.

III. Behavioral Standards for Eligibility

A. New Applicants

- 1. Applicants who have demonstrated disruptive behavior in a previously attended district may be prohibited from voluntary interdistrict transfer. Prior to the transfer of any applicant, the current district of attendance shall issue a statement that the transferring student is in good standing and has no record of recent disruptive behavior.
- 2. Applicants who apply for interdistrict transfer who are currently withdrawn from school will be evaluated and permitted to transfer if there is no evidence of disruptive behavior. If there is evidence of prior disruptive behavior, these students may be permitted to transfer on a provisional basis as a probationary transfer student, subject to no further disruptive behavior.

3. Administrative guidelines shall be developed to provide common standards for determining disruptive behavior which shall include, but not be limited to, criteria under the Safe Schools Act as may hereafter be amended or revised.

B. Existing Students

1. City students applying to transfer from one county district to another county district, and county students applying to transfer to another city magnet school, will only be required to meet criteria under the Safe Schools Act as may hereafter be amended or revised.
2. Nothing in this Section III shall prohibit a receiving district from applying to transfer students, once enrolled, the same behavioral standards it applies to resident students.

IV. Special Education Students

- A. Students with disabilities may continue to participate in the voluntary pupil transfer program. Their selection shall be consistent with the procedures used to select all other students. The receiving school district shall provide students with disabilities who are selected to participate with a free appropriate public education (including receiving special education and related services consistent with their IEP).
- B. If the sending district determines that the special needs of the student can be accommodated in educational programs within the sending district, then the student may be educated within the sending district at the option of the sending district.
- C. Acceptance of new transfer students already receiving special education services in their district of residence shall be limited to space and program availability in the school assigned to the attendance area in which such student resides. Receiving districts will reasonably endeavor to accommodate such students subject to such limitations.

2016-17 *Magnet School Guide*

With 27 specialty schools to choose from, the SLPS Magnet Schools offer an **EXCITING, TUITION-FREE** alternative for students of all ages and abilities.

Make the right choice for your child!

Choose SLPS Magnet Schools

What is a Magnet School?

Students ordinarily go to the public school nearest them. Magnet schools are public schools without school boundaries. Each has something unique to offer that you won't find in traditional schools, whether it's a particular focus on technology, the arts, or a stimulating curriculum designed especially for gifted students.

Because of high demand in many schools and grade levels, admission is based on a lottery system.

➔ See eligibility criteria on Page 4.

Updates to this information can be found at www.slpsmagnetschools.org or slps.org/magnets

Choosing a school for your child is one of the most important decisions a parent makes. Do you have a child who doesn't necessarily "fit the mold" offered at your current school? Or are you looking for a change in direction as your child advances from one level to the next? If so, there's an exciting educational alternative you need to know about! It's the Saint Louis Public Schools Magnet School Program.

For almost three decades, Saint Louis City and County families have experienced extraordinary educational opportunities at the Magnet Schools.

27 specialty schools catering to a wide range of student talents and interests

Diverse and challenging curriculum

Free transportation for eligible students

Priceless partnerships with respected local and national institutions

Simple and fair application process

Please join us at one of the following events:

MAGNET SCHOOL OPEN HOUSES at all school locations

Dates and times to be determined by individual Magnet and Choice Schools. Check www.slps.org/magnets for schedule.

Be Creative

Their world is a stage, a canvas, bright lights and beautiful costumes. Your child thrives on creating, performing and entertaining. Our Visual & Performing Arts Magnet Schools provide the training, opportunities and space artistic children need to explore their creativity and develop their talents. Thanks to our visiting professional artists and partnerships with STAGES, Muny Kids, the Saint Louis Symphony, Opera Theatre of St. Louis and more, your child will be exposed to a world he or she might otherwise only dream about.

Think Deeper

Spoke French at age 2, understands $E=mc^2$, voracious reader, chess master. Sound familiar? Gifted children thrive in an environment that challenges them to the nth degree. SLPS Magnet Schools proudly offer the only FULL-time, tuition-free PS-8 gifted education in the metropolitan area. Our rigorous and challenging curricula are guaranteed to fulfill your gifted learner's needs. Saint Louis Public Schools offer free gifted screening. For information or to schedule an appointment, call 314.345.4548. (To qualify for a gifted magnet school, students must meet state-approved criteria.) More information on page 4.

Look Deeper

Digging in dirt, peering into

a microscope, star-gazing and encouraging you to live green. Your child will experience hands-on learning, while gaining exposure to everything from engineering to environmental science to computer technology and health fields at our schools that specialize in math, science, technology and pre-college learning. Partnerships with the Missouri Botanical Garden, Saint Louis Zoo, the University of Missouri - St. Louis and others further enrich your child's experience.

Share Cultures

Bonjour! Guten Tag! International Studies Magnet Schools provide a wonderful and exciting "passport" to learning. Our students and staff represent more than 30 countries. Your child will learn multiple languages, traditions, customs and cultures in the classroom, in the hallways and beyond.

Explore Earlier

Young minds are inquisitive by nature. Our Early Childhood Centers tap into that natural inquisitiveness using a process-oriented approach to learning known as Project Construct. Your child will be engaged in all-day learning from preschool through fifth grade, providing a strong, solid foundation for his or her future academic success. Children needing special education services require a caring approach. Some magnet schools include

self-contained special education classrooms for students whose Individual Education Programs (IEPs) call for it. Full inclusion and cross-categorical classes are also available.

Shine Brighter

Shiny shoes, crisp uniforms, brass buttons. Cadets not only dress the part, they walk and talk it. Cleveland NJROTC Military Academy builds character, inspires service and creates strong leaders today for tomorrow. Admittance and enrollment depend on students meeting the school's academic standards, and weight and uniform fit requirements. Soldan International Studies and Gateway STEM high schools offer part-time Air Force ROTC programs.

Be Unique

It's cool to be different. Some children like traditional learning. Others excel when a teacher identifies and supports their individual learning style. Magnet schools are a great place for "break-the-mold" students. Our general academic programs are recognized for inventive teaching methods. We offer the largest tuition-free Montessori program in the metropolitan area. How successful are our students? Our Metro Academic & Classical High School is ranked in the top four in the U.S. News and World Report's list of "Missouri's Best High Schools."

At a magnet school, your child can ...

Eligibility

- 1) Any student living in the city of St. Louis
- 2) Non-African-American students living in the Affton, Bayless, Brentwood, Clayton, Hancock Place, Kirkwood, Ladue, Lindbergh, Mehlville, Parkway, Pattonville, Ritenour, Rockwood, Valley Park and Webster Groves school districts (K-12).
- 3) County residents cannot enroll in SLPS early childhood education (pre-kindergarten).
- 4) County residents are not eligible to enroll in choice high schools (Northwest, Carnahan, Clyde C. Miller)

Placement Procedures

Please complete only one application per child.

If a second application is submitted, the lottery system used to place students into open seats at schools requested will consider only the most recent application submitted for potential placement in the Pool A and Pool B lotteries.

After the Pool A Lottery is complete, new applications with different or additional choices for consideration in the Pool B Lottery will override any previous application submitted for a student that is on a wait list from the Pool A lottery. Any application submitted for a different school than the site a student was accepted into will not be processed unless the seat offered has been declined.

Please do not submit a request for placement to a school you are not willing to have your child attend. Any child accepted to a school will not be considered for placement to other choices or remain on the wait list for other choices requested. This includes students accepted to a second choice request. Any student accepted to a requested second choice will no longer be considered for placement, nor remain on the wait list for the first choice requested.

Deadlines

The District has implemented a two-pool application, placement and notification timeline for students applying to Magnet and Choice Schools. This procedure allows for quicker notification and information to be provided for acceptances, as well as available openings. See below for the two pool application deadlines and notifications dates.

Pool A Application Period

Oct. 1, 2015 through Nov. 5, 2015
Placement notifications will be sent before Nov. 25, 2015 for students applying in Pool A.

Pool B Application Period

Nov. 25, 2015 through Jan. 6, 2016
(Applications submitted after the Pool A deadline but before Nov. 25, 2015 will be considered for Pool B placement.)
Placement notifications will be sent prior to Jan. 27, 2016 for students applying in Pool B.

Post-Lottery Application Period

Applications received after the Jan. 6, 2016 Pool B deadline will be processed and considered for placement in the order received, after all applicants from pools A and B have been placed.

Gifted Testing and Placement

Saint Louis Public Schools students have access to two gifted elementary schools for grades PK4 - grade 5 and a gifted middle school for grades 6 - 8. Once your application has been deemed to meet first-level criteria, someone from the gifted office will contact you to schedule a testing appointment. Testing is not required for an applicant to be considered in the lottery, but gifted-eligible status is required for a student to be accepted and offered a seat. Gifted students for these age groups also have the option to apply to be part of gifted enrichment programs at other magnet schools. Your child's test must be administered by SLPS. No privately administered outside test scores will be accepted. If you have questions, please call the Gifted and Talented office at 314.345.2435.

Magnet High Schools

Central Visual and Performing Arts

3125 S. Kingshighway
314.771.2772

Central VPA's educational program is designed to create a nurturing environment where students receive a quality academic and artistic education that prepares them to compete successfully at the post-secondary level or perform competently in the world of work. Students learn to communicate effectively, enhance their physical and emotional well-being, acquire a passion for lifelong learning and demonstrate the ability to do critical thinking and be creative.

- Submit a copy of previous year's report card with a minimum cumulative GPA of 2.75
- Submit a copy of previous year's attendance. Based on 176 days of school, the student must have at least a 93 percent attendance rate
- Submit a copy of the previous year's discipline report and be in good citizenship standing (no out of school suspensions)

- Submit two letters of recommendation. Two personal recommendation letters should come from (1) an administrator and (2) an art teacher
- Once all required documentation is received, audition dates and times will be scheduled. Students who are granted auditions must attend at the scheduled time prepared to audition and be interviewed by the administrative staff
- CVPA only accepts 9th and 10th grade applicants
- All accepted students are required to attend CVPA's 9th grade transition program, parent orientation, pre-register and be present on the first day of school

Cleveland NJROTC

4939 Kemper Ave.
314.776.1301

Cleveland Junior Naval Academy is a military school with a strong emphasis on leadership development and academic achievement. Students have the opportunity to practice

leadership through the structure embedded in the NJROTC program.

The school provides all cadets with excellent academic opportunities including Advanced Placement classes, field experiences provided by the Navy, intern experiences and opportunity for travel with academic exploration.

Eligibility criteria to Cleveland Junior Naval Academy include:

- 2.5 minimum GPA
- Grade of C or better in math and communication arts for the entire year
- Submission of a five-paragraph essay, "Why I want to be a cadet at Cleveland Naval Junior Academy"
- Interview with student and parent/guardian prior to acceptance
- Must have a good attendance record
- Must have no significant discipline history
- Parents of accepted students are required to attend a two-hour orientation with the cadet candidates and be willing to accept the responsibility for the uniforms if they are lost or damaged

Collegiate School of Medicine and Bioscience

1547 S. Theresa Ave.
314.696.2290

The Collegiate School of Medicine and Bioscience (CSMB) Magnet High School is a community of learners with a student body that represents more than 35 ZIP codes and county districts such as Ladue, Lindbergh, Parkway and Rockwood. The school embraces the highest of academic standards. CSMB is patterned after some of the most successful high schools across the nation, including, the distinguished Michael E. DeBakey High School for the Health Professions in Houston, Texas. CSMB offers advanced curricula, which include many honors and Advanced Placement (AP) courses. CSMB's environment and culture is one in which all of its students and staff work together toward a common goal of careers in medicine, health and biomedical research.

Designed as a rigorous four-year medical professions magnet program, the school's mission is to prepare a diverse student body to further their studies at the nation's best colleges and universities. CSMB's college prep curricula include a minimum of four mathematics and eight science courses, which will prepare students with an academic foundation essential for post-secondary studies. The school's unique four-year medical program provides students with project-based learning experiences under the guidance of health science and technology professionals in the classroom and with local partners Goldfarb School of Nursing, Washington University Medical School, Saint Louis University School of Medicine and Saint Louis College of Pharmacy. All students complete an internship/practicum during their senior year.

CSMB requires a written commitment from both students and parents to follow the rigorous four-year course sequence, complete a minimum of 200 hours of community service, earn First Aid and CPR certification prior to entering the 11th grade and abide by the school's Honor Code and Dress Code policies.

Admission Requirements:

- 6th and 7th grade final report card
- First grading period report card of 8th grade
- Test record (MAP or other national

achievement tests)

- Excellent attendance record (documented)
- Letters of recommendation from two of the following: current teacher, counselor, principal or designated administrator
- Entrance essay
- A student and parent/guardian interview
- If accepted, attend the Medical High School's Summer Program prior to entering the 9th grade

Gateway STEM

5101 McRee Ave.
314.776.3300

Gateway STEM (Science, Technology, Engineering, Math) High School, recognized by the United States Department of Education as a New American High School, integrates a strong academic curriculum emphasizing mathematics and science with career preparation in highly technical fields. Accelerated and advanced placement courses are available. Gateway STEM creates lifelong learners through skill building, team building, real-life applications and service to the community.

Eligibility criteria to attend Gateway STEM High School include:

- Interest in mathematics, science, engineering and/or technology
- Expectation to attend post-secondary education at a university, college, community college or technical school with the intent to attain a diploma
- Student transcripts/report cards, test scores, reflecting aptitude and success in mathematics, science and writing
- Attendance of 90% or better required (over 93% preferred) and no major discipline infractions or repeated behavioral issues
- Commitment to parental involvement, i.e., PTA, advisory committees, booster clubs, support of school, volunteering

Metro Academic and Classical

4015 McPherson Ave.
314.534.3894

Metro provides a challenging, quality education focused on high standards and expectations in an atmosphere of unity, enthusiasm, caring

and respect for self, others and the community. Service to the community is encouraged, while the school promotes learning in all areas to prepare students to become responsible members of society who can function in a technology-oriented world.

- Applicant must score at or above the Third Achievement level on all of the most recent MAP/EOC tests or be at the 50 percentile level or more on a standardized test, in all sub-areas of the test.
- Applicant must score at or above the 50 percentile level on Acuity tests, if available, throughout the school year of application.
- Applicant must score at or above the Third Achievement Level on all MAP/EOC exams taken in the eighth grade after the application was submitted and acceptance was made. Continued achievement is expected.
- Applicant must have good attendance with no more than five absences per semester except in cases of physician-documented illness/hospitalization and documented family emergencies, i.e., deaths, fires, accidents.
- Eighth grade applicants must submit a copy of the most recent report card and their last report card of their eighth grade year to validate classroom academic achievement and attendance. This report card must reflect a C or better in all subjects with the exception of Physical Education, Art, Music, and Practical Arts. One D will be acceptable in any one of these four subjects. No D in a core subject is acceptable.
- Applicant must have excellent or good evaluations on each item on the Official Recommendation Checklist Form. Recommendations must be submitted by two of the following: applicant's teacher, counselor, principal or designated administrator.
- Students applying for 10th grade must submit a transcript reflecting all semesters enrolled, including the last completed semester and a report card from the most recent grading period. The applicants must have a minimum GPA of 2.3 and no Ds or Fs on their transcripts. Transcript should also validate attendance and grade level. EOC tests scores apply as mentioned above.

McKinley Classical Leadership Academy

2156 Russell Blvd.
314.773.0027

McKinley CLA provides a challenging educational experience for students that is accelerated and enriched beyond the normal mandated curriculum. It provides a culturally diverse educational program for all students in an atmosphere for students to grow intellectually and personally. The McKinley student-school-parent support system improves and strengthens cooperation between families and the school.

- Completed application
- Copy of most recent report card
- Discipline and behavioral record
- Attendance history report
- MAP scores
- Individual Education Plan (IEP) record, if applicable
- Documentation to verify gifted standing
- Prospective students are required to write and submit a brief essay "I am excited about McKinley Classical Leadership Academy because ..." The essay should highlight the student's reasons for wanting to attend McKinley CLA and clarify which Leadership Pathway sparked the student's interest. Students are also encouraged to incorporate their ideas for school leadership and community service in their essay.

Soldan International Studies High School

918 Union Ave.
314.367.9222

Soldan ISHS is a nationally accredited high school that prepares students for colleges and 21st century careers in the medical field, biomedical sciences, business, management, law and leadership. Students attending Soldan take part in a global studies curriculum, preparing them for further education and careers in an ever changing and diverse society.

Soldan's rigorous curriculum focuses on international studies, career preparation and the use of technology. Students have honors and Advanced Placement classes offered in all major content areas, and a technology-embedded curriculum complete with Promethean Boards, Smart Boards, laptops, videoconferencing and digital literacy. Soldan's premier technology capabilities include a state-of-the-art biomedical sciences lab, veneer probes, digital literacy, videoconferencing and Skype. Students have opportunities to connect with other students around the world.

Students at Soldan are prepared for careers in the 21st century through Soldan's community partnerships. The Project Lead the Way (PLTW) Biomedical Sciences Pathway partners with Washington University Medical School, Barnes Jewish Hospital, and Saint Louis University

Hospital, designed for students interested in becoming scientists, engineers, researchers, crime scene investigation (CSI) or entering the medical field. The Law Pathway partners with the Washington University School of Law and the Mound City Bar Association. Qualified seniors complete an internship in their career choice.

Additionally, Soldan offers a rich variety of fine arts and sports activities for students, including band, choir, basketball, football, baseball, softball, tennis, wrestling, soccer, track, and cross country. Enrichment and remedial services are available. Students can enroll in the A+ program.

It is recommended that students have a:

- 2.5 GPA or higher
- 90 percent or higher attendance
- Good citizenship

Soldan concentrates on preparing students for college and 21st century careers in a global, technological world. It is recommended that students:

- Study a foreign language - Offerings are in Arabic, Chinese and German.
- Select a Career Pathway - International Business, Business Management, PLTW Biomedical Sciences careers in engineering or medicine; and the leadership and law with Washington University Law School.

Frequently Asked Questions

How do I know which magnet school is the best fit for my child?

Only you can decide. Consider your child's interests and abilities, and learn about the school options available to you. Go to www.slpsmagnetschools.org for information regarding scheduling of school-based open house events. If you wish, contact the school for a personal tour; the school staff will be happy to answer questions you might have about their programs.

The High School Here I Come night for current 7th and 8th grade students will be held from 6:30 to 8:30 p.m. Tuesday, Oct. 6, 2015, at Compton-Drew Investigative Learning Center Middle School at 5130 Oakland Ave.

SLPS high school representatives will make presentations and answer questions to interested students and their parents.

The Elementary and Middle Magnet Schools Recruitment Fair will be from 6 to 8 p.m. Monday, Oct. 12, 2015 at the Saint Louis Science Center at 5050 Oakland Ave.

I don't see my child's grade as an option when applying for my school choice. What do I do?

If you don't see the school or grade desired when applying for a specific program, this means that there are currently no open seats remaining for this grade level at this school, and the wait list is lengthy. Please consider applying to other schools with openings. If you have questions, please call 314.633.5200.

Must I list more than one school choice on my application?

No. You can list up to two schools, but you are not required to. If there is only one school that interests you and your child, you can limit your application to that school. Please do not apply for a school you are not willing to send your child to attend. Students accepted to any school choice requested will no longer be considered for placement to the other school requested on the submitted application.

How will I know you received my application?

We will email or mail you a receipt verifying that we have received your application. Please review it carefully to ensure all information is correct. If you do not receive a receipt within 10 days of submitting your application, city families should contact the Student Recruitment and Placement office at 314.633.5200. St. Louis County resident families should call the VICC office at 314.721.8422, ext. 3012.

What are my child's chances of being accepted to a magnet school?

Applying within the lottery period deadlines will greatly increase the chances of a child receiving an acceptance offer. Please note, do not apply for a school you are not willing to send your child to attend. Students accepted to any school choice requested

will no longer be considered for placement to the other school requested on the submitted application. Acceptance rates vary from year to year depending on the number of seats available for a school/grade level.

When is the Magnet School Lottery?

The two Pool lotteries for the 2016-17 school year will be held:

Pool A - Thursday, Nov. 19, 2015

Pool B - Wednesday, Jan. 20, 2016

How will I find out if my child is accepted?

Placement Notifications will be emailed or mailed by:

Pool A - Wednesday, Nov. 25, 2015

Pool B - Wednesday, Jan. 27, 2016

The Application and Placement program and websites used allow parents to access and view their student's application information, if they have applied online and set up an account. Families also can learn the results by calling the Student Recruitment and Placement Office at 314.633.5200 or by emailing a request to slpsmagnetschools@slps.org. St. Louis County resident families can call the VICC office at 314.721.8422, ext. 3012, or email lmerlo@choicecorp.org.

What do I do after my child is accepted?

If your child is accepted, this will be considered as the school for assignment unless you refuse the seat in writing or via the email notification system. The school your child is accepted to will contact you about an open house for newly accepted students that will be held before the end of the 2015-16 school year. Check www.slps.org/magnetschools for details.

What if I change my mind after my child is accepted?

St. Louis City resident families should inform the Student Recruitment and Placement Office in writing, or log in to their personal account to decline the seat, or send an email to slpsmagnetschools@slps.org. Please include your child's name, birthdate, the school and grade where a seat was offered, and the reason for declining the seat. For SLPS students, if the seat offered is declined, the child's school assignment will default to their previously attended Saint Louis Public School. St. Louis County resident families should notify the VICC office in writing, or send an email to lmerlo@choicecorp.org.

What if my child is not chosen through the lottery?

Your child's name will be placed on a wait list. If additional spaces for the school year applied for become available, you will be notified via email or letter. If your child is not accepted, you would need to reapply for the next school year, if desired. If your child has not been accepted to a school requested and you wish to apply for a different school, or a school where openings exist, the previous application submitted and wait list spot held by that application will be deleted to accommodate the new placement request.

What if my child is not accepted to his or her first choice?

If you listed more than one choice on your application, and your child is accepted to his or her second choice, that school is the school he or she will be eligible to attend for the 2016-17 school year. His or her name will NOT automatically go on a wait list for the first choice, and the other choice requested will be deleted from the applications database.

If you are still interested in being considered for your first-choice school, you must refuse the seat to the school requested and where the seat was offered, and resubmit a new application to go on the desired school's wait list. The placement on that school's wait list will be determined by lottery placement if submitted for Pool B consideration, or added first come first served for applications submitted after the Pool B Lottery deadline.

Once my child is accepted, do I need to reapply each year?

No. Once your child is accepted, enrolled and attending a Magnet/Choice School you do not have to reapply each year, presuming he or she will finish each school year at the same Magnet/Choice School and continues to meet eligibility criteria.

Specific 2nd-to-3rd, and 5th-to-6th grade students

advancing to the next school level will automatically be assigned to the continuity school for the program they are attending.

Go to www.slps.org/magnetschools for the Magnet/Choice Schools feeder pattern.

IMPORTANT! All 8th to 9th grade students must apply to be considered for placement to a Magnet or Choice High School. All criteria must be met to be eligible for placement. Eighth grade Magnet Middle School graduates are not guaranteed placement into the continuing themed Magnet or Choice High School if the eligibility criteria for that school is not met.

My child attends a magnet school but wants to transfer to a different magnet school next year. What do I do?

You must submit a new application and be accepted through the lottery. Your child will keep a spot in his or her current school until (1) he or she is accepted into the new school and (2) you've completed the enrollment paperwork at the new school. Currently enrolled Magnet and Choice schools students are the last group considered for placement into other Magnet and Choice Schools. SLPS Magnet and Choice Schools enrollment does not allow for open transfer from one Magnet or Choice School to another.

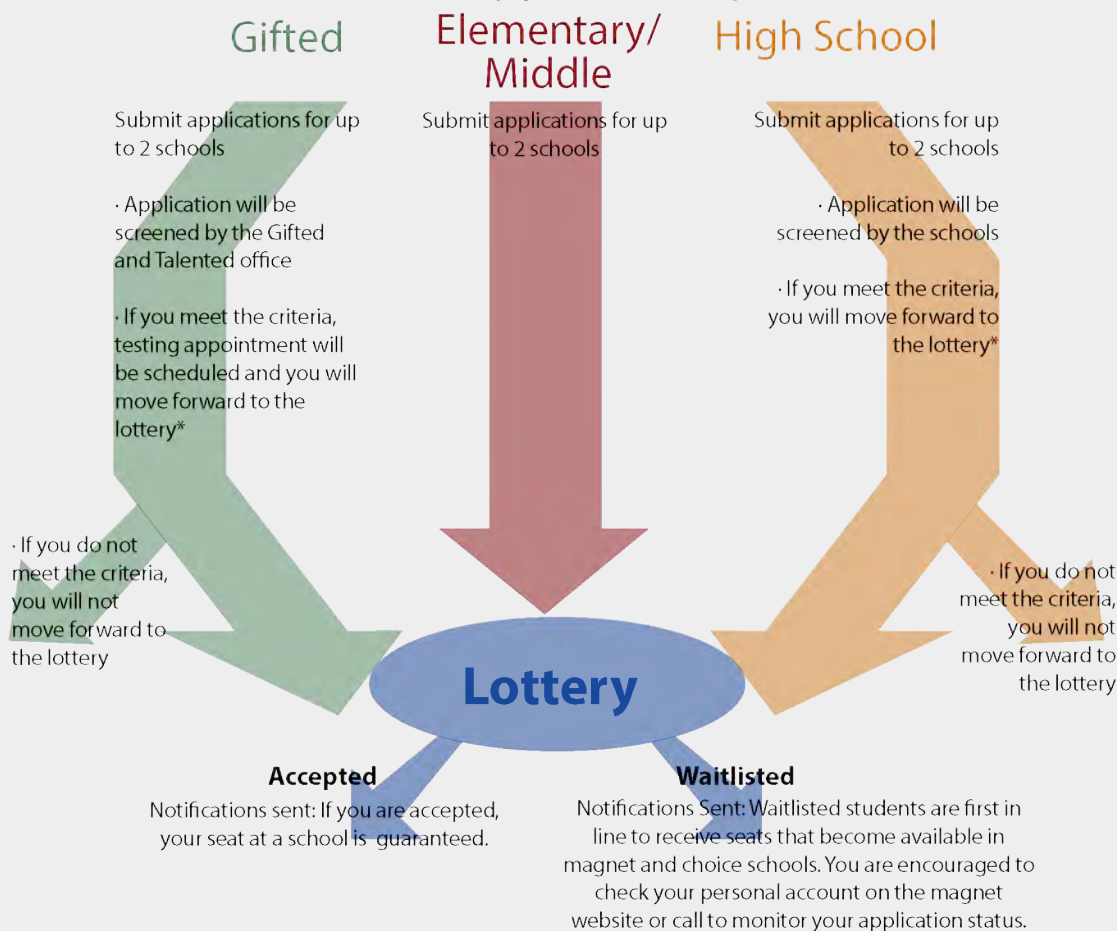

Have a question you need answered?

City families can email slpsmagnetschools@slps.org or call Student Recruitment and Placement at 314.633.5200

County families can email Imerlo@choicecorp.org or call Voluntary Interdistrict Choice Corp. (VICC) at 314.721.8422, ext. 3012.

For school-related questions, please call the Magnet School directly.

What is the application process?

*Your spot in a school is dependent on you meeting and maintaining eligibility

The lottery

Because the number of applicants requesting placement often exceeds the number of open/available seats, applications received within the stated deadlines and dates are entered into a lottery to place students. Two lotteries are scheduled for placement of applicants submitting requests within two distinct time periods, or pools. The lotteries are used to assure an equal chance for all students applying to Magnet/Choice Schools, within the pool application periods and within placement priority categories.

When you enter your application using the online entry system, or when it is entered manually for paper-submitted applications, the request will be assigned to its appropriate priority category. The computer program then randomly selects an applicant and attempts to place the student in the choice(s) selected, beginning with the first-choice school. If this choice is not open, the applicant's second choice is considered, presuming an additional choice is listed.

The Pool lotteries for the 2016-17 school year will be held by:

Pool A - Thursday, Nov. 19, 2015

Pool B - Wednesday, Jan. 20, 2016

What priorities affect the lottery process?

The SLPS Magnet Schools participate in the area-wide desegregation program and have a goal of being racially integrated.

Through the lottery system, all applications have equal weight within various categories required to maintain racially integrated schools. They are:

1ST PRIORITY

Continuity — Students currently enrolled in Magnet Schools who are graduating to the next school level (such as elementary school to middle school) are guaranteed a seat in a Magnet/Choice School where open seats exist/remain. Students matriculating from middle school to high school must meet school

eligibility criteria to be considered for placement in the Magnet/Choice High School requested.

2ND PRIORITY

Sibling — Brothers and sisters of Magnet/Choice School students who live at the same address and share at least one biological or legal parent have priority placement in the same Magnet/Choice School building as their sibling. There is no guarantee, however, that siblings will be placed together. Applications for Sibling Priority consideration received in Pool B periods will be considered for placement after all Pool A applicants of all priorities are considered. No applicants will be assigned Sibling Priority status after the Pool B application period closes.

3RD PRIORITY

Neighborhood — City students living within the "walk-to-school" boundaries set by the District transportation department can apply for Neighborhood Priority placement. There is no guarantee that all Neighborhood Priority eligible applicants will be placed. Applications for Neighborhood Priority consideration received in Pool B periods will be considered for placement after all Pool A applicants of all priorities are considered. No applicants will be assigned Neighborhood Priority status after the Pool B application period closes.

REMAINING PRIORITIES

St. Louis City and St. Louis County applicants — These students are placed in Magnet Schools through the Pool A and Pool B lotteries after the higher priority placements are made. These priorities vary depending on the school a child currently attends. St. Louis City and St. Louis County residents are considered equally for Magnet School placement within these priorities. For more information, visit www.slps.org/magnetschools.

Magnet and Choice School Application

2016-2017 School Year

Please Read: See Page 4 in the guide for an explanation of the two-pool application timeline. All applications received in a Pool Application Period are given equal consideration, within placement priorities. All current Pool applicants will be considered for placement prior to reviewing and placing applicants in the next Pool. Submission of this application will override any previous application submitted for the 2016-2017 school year. **INCOMPLETE APPLICATIONS WILL NOT BE PROCESSED.**

Student's Name Please Print _____ Date of Birth _____ Sex _____
Last First Middle

Address _____

Home Phone Number () _____ Emergency Phone Number () _____ Emergency Contact _____

Current School _____ School District of Residence _____

Sibling Consideration? ☐ Yes ☐ No Name of Sibling _____ Magnet School Sibling Attends _____

Siblings are defined as children who have one biological or adoptive parent in common and reside in the same household. To receive sibling consideration for one child, the other child must be enrolled in the school of choice and be scheduled to continue in that school for the coming year, and that school must be listed as the first choice on this application form. Sibling consideration extended to one school only. No sibling applicants will be considered for priority placement after the Pool B application period closes.

☐ Check here if you wish twins to be treated as one placement at the same school. Separate applications are required.

SAFE SCHOOLS: Has your child been expelled from any school or school district violation of school board policies relating to weapons, alcohol, drugs or for willful infliction of injury to another person? ☐ Yes ☐ No

SPECIAL EDUCATION: Is your child in the First Steps Program? (preschool only) ☐ Yes ☐ No

Has your child been referred for a special education evaluation or evaluated by the current or previous school district? ☐ Yes ☐ No

Does your child receive special education services and/or related services? ☐ Yes ☐ No

Does your child receive special education services outside the regular class for more than 60 percent of the time? ☐ Yes ☐ No

ESOL: Does student use a language other than English? ☐ Yes ☐ No Please specify: _____

Is a language other than English used at student's home? ☐ Yes ☐ No Please specify: _____

Please Indicate Applicant's Race:

In order to ensure that we will receive payment from the school for students we need to adhere to the following guidelines when enrolling new students.

ENROLLMENT GUIDELINES

Check the zip code of the students resident:

if zip is 63101

63102

63103

63104

63106

63107

63108

63109

63111

63112

63113

63115

63116

63118

63120

63139

enroll student -- they live in the city

if zip is 63110

63117

63123

63136

63137

63143

63147

go to <https://www.stlouis-mo.gov/data/address-search/> type in the address, with out directionals and st, ave, etc. if address is found enroll the student -- they live in the city. If address is not found proceed to next step:

If address is not found on the city site or the zip code is not listed above and the student identifies as African- American, you cannot enroll the student.

If address is not found on the city site or the zip code is not listed above and the student identifies as any other race, go to <http://www.schooldistrictfinder.com> and enter the students address with zip. This will tell you what school district the student resides in. If the student resides in the following school districts:

Affton

Bayless

Brentwood

Clayton

Hancock Place

Kirkwood

Ladue

Lindbergh

Mehlville

Parkway

Pattonville

Ritenour

Rockwood

Valley Park

Webster Groves you can enroll the student.

If they reside in any other school district, you cannot enroll the student
